Canara Robeco Gilt	Debt - Gilt Medium & Long Term	from 25/06/2014 to 01/07/1988

Summary	
<b>Verdict</b>	Overall, performing about the same as the peer group composite. Nevertheless, over a long track record, the manager has outperformed the peer group more often than not. There is not sufficient data to say whether good is being picked and had any real effect on results, which have not been particularly exposed to falling markets.
