SBI Magnum COMMA	Equity - Other	from 16/09/2010 to 08/02/2011

Summary	
Verdict	Overall, performing better than the peer group composite. Over a fairly lengthy track record, the manager has outperformed the peer group more often than not. There is not sufficient data to say whether good stockpicking has had any real effect on results, which have not been particularly exposed to falling markets.
