Aditya Birla Sun Life Cash Plus Sweep	Debt - Liquid	from 19/06/2009 to 07/05/2010

Summary	
Verdict	Overall, performing about the same as the peer group composite. Nevertheless, over a long track record, the manager has, period by period, consistently managed to outperform the peer group. There is not sufficient data to say whether good stockpicking has had any real effect on results, which have not been particularly exposed to falling markets.
